Cancer has touched everyone! Most events address the physical, mental, emotional, financial and social damage of this awful disease. Our event is different. Our Saint Peregrine Day is open to everyone and focuses on the spiritual aspect when fighting cancer. The body **and** soul must be supported and encouraged. Thank you for your support in our effort to encourage and refresh the spirits of those fighting cancer and their families.

**Sponsorships will be advertised at each station, promoted in all publications for the event day as well as verbally acknowledged throughout the day.**
